Lab: HDFS

INF 551 Wensheng Wu

## Task

- Create the following directory structure in HDFS
  - /user/ec2-user/inf551/input

 Copy the 8 xml files under <your hadoop installation directory>/etc/hadoop/ to /user/ec2user/inf551/input on HDFS

## Submission

 Submit a screenshot listing the files in the "input" directory as follows:

```
[ec2-user@ip-172-31-52-194 hadoop-2.7.3]$ bin/hdfs dfs -ls /user/ec2-use
r/inf551/input/
Found 8 items
